

**PANTHER**

Are you looking for a unit to hold food safely and effectively at the perfect temperature? The compact Panther Light Duty Series Hot Cupboard, which can also be used for warming plates, comes fully insulated for enhanced energy-efficiency, with thermostat set to 85°C to maintain food temperature, and to meet food safety regulations. This model is ideal for establishments who haven't previously needed hot holding equipment, and are looking to convert their business to a takeaway offering.

A/A FILE NUMBER:
